

OLYMPIA HIGH SCHOOL

ATHLETE ATTENDANCE POLICY

The Olympia School District Athletics policy states:

- An Athlete must be in full attendance – all classes – in order to participate in a contest.
- An Athlete must be in attendance on a school day to practice. If you are too ill to attend school, you will not be allowed to practice.

This includes Running Start and New Market classes

Excused absences are limited to the following:

- All medical appointments **with a note** from practitioner's office
- School-related functions (e.g. field trips)
- Religious reasons, with prior notice
- Family emergency

If a student is absent at any point during their scheduled classes they must first check in at the Attendance Office.

They must also sign in at the Athletics Office---and bring the doctor's note, (if applicable) for approval of the absence.

Students who do not comply with these regulations may be prohibited from participating in activities.

I have read and agree to comply to the above attendance rules.

X - Athlete Signature: _____ **Date:** _____

X - Parent/Guardian Signature: _____ **Date:** _____
