

Student Information

(This form must be completed by all students applying for AP classes).

While we believe students should have the opportunity to participate in rigorous and academically challenging courses, we also realize limits need to be placed on the number of AP courses students take in one school year. These courses are taught at the college level, and every student enrolled in an AP class must take that exam in the spring to keep the AP label on the transcript. Therefore, we recommend students enroll in a maximum of three AP courses (which is equivalent to a full college load) in a school year. Students who wish to take more than three must have a conference with the AP Coordinator and a school counselor.

Please answer the following questions.

1. In how many AP classes do you plan to enroll this fall? _____

2. Rank the classes you plan to take in order of interest to you:

1. _____

2. _____

3. _____

4. _____

5. _____

3. In what other activities (sports, clubs, other) do you plan to participate this year?

1. _____

2. _____

3. _____

Submit your completed form to the AP Coordinator, Mrs. Riley. Your response can be placed in her mailbox in the main office.
