

# **Culminating Project Vital Dates 2007-08**

## **For Full Year CP(O) Classes and Independent Study Only**

### **(draft)**

**These are target dates for completion of the culminating project. While these dates are not set in stone, and individual class pace may require small adjustments, it is suggested that classes adhere to this guideline (at least within a few days).**

- ❑ **September 5:** First Day of 1<sup>st</sup> Semester.
- ❑ **October 15:** Preliminary Project Proposals due.
- ❑ **October 29:** Detailed Project Proposals Due.
- ❑ **October 29-March 7:** Project Activities: Research, documentation, and product creation.
- ❑ **Ongoing:** Documentation (Journal, Annotated Bibliography) is reviewed and evaluated by faculty advisor.
  - **Journals should be read/evaluated every 2-3 weeks.**
  - **Each supervising teacher sets due dates for drafts of Annotated Bibliography**
  - **Product creation progress should be checked occasionally.**
- ❑ **January 11:** Deadline to submit Addenda to proposals. **No project changes after this date.**
- ❑ **March 7:** Final Product, Journal, and Annotated Bibliography should be complete and turned in.
- ❑ **March 28:** Product/documentation evaluation and any re-do's should be complete.
- ❑ **March 7-April 4:** Prepare for presentations.
- ❑ **April 14-18:** Presentation Dates.
- ❑ **14 days (2 weeks) after your Presentation:** Reflective Papers are due to your faculty advisor **no later than May 2.**
- ❑ **May 5-16:** Presentation Re-Do's (**Reflective Papers for Re-Do's are due by May 30**).
- ❑ **June 16:** First Semester ends.
