*Career Cruising accounts reset yearly back to 0% Progress to encourage the student to re-do, review, reflect and confirm previous year's work. This yearly reset provides the opportunity for students to update information, goals and/or careers. Data saved by students in **Careers of Interest & Career Planning Activities** are used to provide opportunities to students via email from the Career Center & Counseling Staff. Resumes created in Career Cruising should be updated frequently.*

*Sections NOT noted as required are ENCOURAGED to complete. Business2Youth Connect is an amazing resource for career research and **available only** to OSD students from our local Thurston County Chamber of Commerce Members. For more information, go to OHS website: OHS Counseling > Career Center > High School & Beyond Plan*
