Subject: PSAT Update

Hello everyone,

Since the PSAT is in late October and they only offer a paper/pencil version we will not be participating in the October test. We typically test around 300 students and won't be able to accommodate that. The Collegeboard has added another test date on January 26th. While this is not an ideal time for us, being the end of 1st semester, it allows us to hold out hope that we will be able to at least offer it to our junior class in January. Our priority is that the junior class has access to the test to qualify for the National Merit Scholarship program.

We hope to have another update by December 4th.

Thank you,
