** Students must earn credit in Algebra 1 and Geometry. The 3rd credit of math and science are determined by the student's High School and Beyond Plan (HSBP) and approved by the parent/guardian. If the parent does not indicate a preference, the school counselor or principal may approve the student's choice. Algebra 2 is required for entrance into 4-year colleges.

*** World Language credits may be substituted with any other elective course based upon the student's HSBP.
